

Paul Baudry, The Palace Of Versailles

450 EUR

Signature : Paul baudry(1828-1886)

Period : 19th century

Condition : A restaurer

Material : Oil painting

Length : 31,5 cms

Width : 24,5cms

Description

This work presents a little-known view of the Palace of Versailles, seen from the *Pièce des Suisses* (Swiss Guard Pond) and the Rue des Réservoirs. This sketch was part of a series of paintings by Paul Baudry; we were able to acquire this final study from the set.
