

Art Nouveau Glass Goblet With Iridescent Finish By Loetz / Kralik, With A Setting Attributed To Lucien Marcel Bing

350 EUR

Period : 20th century

Condition : Très bon état

Material : Glass

Description

An elegant Art Nouveau goblet made of iridescent Bohemian glass, attributed to the Loetz/Kralik glassworks, set in a remarkable gilded bronze mount attributed to Lucien Marcel Bing, circa 1900. The finely chased mount features a floral motif typical of Art Nouveau, with four openwork handles and an elegant base. The glass displays magnificent iridescent reflections in shades of green, gold, blue, and purple, depending on the light. Dimensions:
Length: 17.5 cm Width: 14 cm Height: 10 cm
