Description

Molaroni Majolica Plate, Pesaro - Madonna and Child with Lamb; Early 20th century; A refined polychrome majolica plate crafted by the renowned Molaroni Manufactory in Pesaro, one of Italy's most important and prestigious manufacturers of artistic majolica, known since the late 19th century for the high quality of its works and for the numerous awards it has received in Italy and abroad. Molaroni 1880 +1The work depicts the Madonna with the Child and the Lamb, a composition of intense tenderness and spirituality, inspired by great Renaissance painting. The quality of the decoration is distinguished by the finesse of the design, the luminosity of the glazes, and the delicate rendering of colors. The plaque is embellished with a magnificent Neo-Renaissance
