Description

Oil on canvas depicting Christ on the Cross, set in a large Regency-style carved wooden frame with its original tempera gilding. The work features a sober and powerful composition: Christ is depicted alone on the cross, against a dark background enlivened by a twilight landscape. The anatomical rendering, the chiaroscuro, and the high quality of the modeling evoke the 17th-century Baroque tradition, with an influence that could be Spanish or Italian. The painting is presented in a richly carved Regency frame, which harmoniously complements the work. Historically re-stretched. Canvas dimensions: 53 × 40 cm. Dimensions with frame: 74 × 61.5 cm
