

St. Nicholas Of Bari. A Bronze Medallion From The Byzantine Period.

500 EUR

Period : Before 16th century

Condition : Bon état

Material : Bronze

Length : cm.6,5

Width : cm.5,5

Description

St. Nicholas of Bari. Bronze medallion with traces of original pure gold, now worn away. The superb patina of the very old bronze, with its worn pure gold, and the Byzantine and hieratic iconography of the saints, consistently place the pendant's date of origin between the 13th and 15th centuries.
