Description

Refined and unique toy car made of wrought iron, with a wooden frame painted in tempera in shades of blue and green. The car is in good condition and fully functional, featuring four wheels, pedals, and a small steering wheel. It also features a small wooden seat, also painted in tempera. Inspired by the automobiles of the period, as is the case with our own, this toy car was intended for children. It is a rare and collectible item, capable of adding a touch of charm and antique style to any space. Made in Italy in the early 20th century.
