Description

Antique coffin, a wooden stone case made from a single piece of wood, hand-carved and hollowed out. Its distinctive shape, which gave rise to its English name coffin ("cercueil"), also makes it a curiosity. It retains its original green and red polychrome paint as well as a beautiful patina from use. Shows signs of use and has minor chips due to its age, which in no way detract from its charm. Height: 25 cm. Careful shipping with tracked package within 24/48 hours. In-store pickup available (in the Paris region). Payment options: Credit card, bank transfer, or PayPal.
