

Louis XV-style Chest Of Drawers From Around 1900

450 EUR

Period : 19th century

Condition : Restauré par notre atelier

Material : Walnut

Description

Louis XV-style chest of drawers dating from 1900, made of solid walnut. Stripped and lightened, it reveals the wood's natural beauty with a varnish finish that preserves its authentic look. Signs of wear, beautiful handles. The elegant curves and Rococo details characteristic of the style make this a piece of timeless charm, ideal for classic or vintage interiors. The piece has been treated due to traces of old insect damage. Dimensions: (H x W x D) 85 x 103 x 52 cm
