Description

Carlo Francesco Beaumont (1694-1766) Our Lady of Sorrows Oil on canvas, 31 x 46 cm (41 x 55 cm with frame) We thank Lorenzo Guareschi for providing the following information: "The dependence of this *Addolorata* on the figure at the foot of the cross in the *Deposition*--painted around 1731 by Claudio Francesco Beaumont for the high altar of the Church of Santa Croce in Turin--is evident. It is an autograph work by the master--perhaps created with the assistance of a pupil emulating his style, such as Giovanni Domenico Molinari or Felice Manassero--that transforms the original composition into a lyrical interpretation (a variation or adaptation) intended for private devotion."
