Description

Polychrome and gilt plaster statue of the Sacred Heart of Jesus, dating from the late 19th or early 20th century. The rich floral decoration enhanced with gilding, together with the finely modelled face, gives the piece an elegant and expressive presence. The reverse retains its original brass publisher's plaque, referring to the work of the Venerable Tournay and bearing the publisher's address at Place Saint-Sulpice, Paris 6th, a historic centre for religious art publishers and dealers. The statue is in good overall condition, with age-related wear and minor chips, mainly to the base, consistent with its age. Height: 54 cm. Careful shipping; tracked package within 24-48 hours. In-store pickup available (in the Paris region). Payment options: Credit card, bank transfer, or PayPal.
