Description

A magnificent royalist seal entirely decorated with fleurs-de-lis. The seal has an oval, slightly truncated conical shape. Friezes of floral motifs adorn the base, the opening, and the top of the case. A large oval handle engraved with a foliage motif allows the case to be opened easily. The base of the case forms a seal bearing the initials FC (?). But the main feature of this case, which makes it exceptional, is the scattered fleur-de-lis decoration covering the entire body of the object. The interior is entirely made of vermeil. It is hallmarked: Minerva 1st standard (pre-1973) for "950/00 silver". S&F silversmith's hallmark with a star in a circle for Schweitzer & Fort, active from 1904 to 1910. This is a magnificent, large case featuring this rare and superb royalist design of fleurs-de-lis. 15 cm long 52.8 grams Very
