Description

Carved Oak Louis XV Cabinet - 18th Century
Beautiful Louis XV cabinet made of solid oak, featuring two richly carved, molded doors. The front is adorned with an elegant design of shells, foliage, and rosettes, topped by a finely crafted overhanging cornice. The curved legs and scalloped crossbar are characteristic of traditional Louis XV furniture. The interior features two shelves and a hanging rail, providing ample storage space. The warm oak patina, achieved with beeswax, highlights the carvings and attests to the piece's age. Features: Period: 18th century
