Description

Oil on canvas from the 1950s, signed "VAN DERNIRS" (I don't think that's spelled correctly...) A lovely composition of a park with trees and figures; the composition is very well executed, the color palette is vibrant, and the piece as a whole is of high quality and catches the eye. A beautiful original frame completes the piece (you wouldn't put a beautiful frame on a painting if it weren't worth it!). In perfect condition--professionally cleaned and re-varnished.
