Description

An elegant oval-shaped Chinese coffee table made of black-lacquered wood, adorned with sumptuous hardstone marquetry depicting an interior scene featuring figures, traditional furniture, and plant motifs. The inlay is protected by a glass top, highlighting the richness of the materials and the finesse of the craftsmanship. The rim is embellished with hand-painted gold floral motifs, while the four curved, Asian-inspired legs give the piece an elegant and harmonious silhouette. Crafted in the tradition of 20th-century Chinese decorative arts, this table is a refined decorative piece, ideal for a classic, eclectic, or contemporary interior. In good overall condition with slight signs of wear consistent with its age. The glass top shows a few fine surface marks resulting from normal use. Period: 20th
