Description

Vintage 18-karat gold ring with a 7.95-carat pink tourmaline and diamonds - 1980s This elegant vintage ring from the 1980s captivates with its generous and timeless design, showcasing a superb 7.95-carat natural pink tourmaline, the weight of which is engraved on the inside of the band. The stone boasts a magnificent deep pink hue that is particularly luminous, offering exceptional presence and beautiful color intensity. The gem is accentuated by a side setting of six brilliant-cut diamonds, totaling 0.80 carats, also indicated on the setting. Their excellent quality--VVS1 clarity and E-F color--provides an intense sparkle that contrasts harmoniously with the vivid color of the tourmaline. The two-tone setting in 18-karat yellow and white gold perfectly reflects the jewelry aesthetics of the

1980s. The highly openwork setting ensures excellent light reflection on the center stone, while the diamonds are set in white gold mounts to enhance their whiteness. A ring with character, combining a spectacular center stone with a beautifully crafted setting, ideal for a vintage jewelry collection or as a cocktail ring.
