Description

Wolfers - 925-millésime sterling silver centerpiece with mirrored top, circa 1950A superb table setting crafted by the prestigious Wolfers house, consisting of an elegant 925 sterling silver centerpiece and its matching mirror-backed cover. Dating from the 1950s, this set perfectly illustrates the craftsmanship of one of the greatest Belgian silversmithing houses of the 20th century. The centerpiece features an elegant bowl with flowing contours resting on a pedestal subtly accented with stylized shell motifs. It is crafted entirely from 925-thousandths sterling silver and boasts remarkable craftsmanship as well as generous proportions. It is accompanied by its original cover, consisting of a large beveled mirror set in a solid silver frame featuring the same decorative motif. The
