Description

Large Empire-style mahogany mirror - Mercury-gilded bronze - early 20th centuryElegant Empire-style mirror in flamed mahogany, adorned with rich chiseled and mercury-gilded bronze trim, illustrating all the nobility and restraint of the early 19th-century Empire style.The cornice is decorated with a knotted laurel garland framed by two crowns, emblematic symbols of the First Empire. The side panels are adorned with antique-style female busts resting on finely chiseled foliage motifs, lending elegance and refinement to the piece as a whole.The large mirror is framed by mahogany molding and features beveled glass (if original, to be specified), offering beautiful depth and excellent reflectivity.With its imposing proportions and high-quality materials, this piece
