### Description

Empire-style mahogany office chair - Armrests with caryatids - Green leather - early 20th century  
An elegant Empire-style office armchair in flamed mahogany, remarkable for the quality of its cabinetmaking and the richness of its carved decoration. Its gondola-shaped backrest, with its understated and balanced lines, is upholstered in green leather accented by a gilded central motif and finished with brass upholstery tacks. The armrests rest on superb carved Egyptian caryatids, an emblematic motif of Empire-style furniture inspired by ancient Egypt. The front legs, carved in the shape of lion's claws, reinforce the majestic character of this piece, while the saber-shaped rear legs ensure perfect balance for the entire chair. The seat, generously upholstered in green leather, offers excellent comfort and
