### Description

Pair of Daum France crystal cone vases - Twisted Rib Model  
An elegant pair of Daum France crystal cone vases, featuring a timeless design that highlights the purity and transparency of the crystal. Their flared silhouette, accentuated by a delicate pattern of twisted vertical ribs, beautifully captures the light and showcases the craftsmanship of the renowned Nancy-based crystal manufacturer. The wide scalloped rims and molded bases add depth and elegance to these two pieces, which are ideal for holding bouquets of flowers or decorative arrangements. Displayed together, they form a harmonious set that will naturally fit into both classic and contemporary interiors. These vases are a testament to the quality of craftsmanship at Daum France, a company internationally renowned for the
