### Description

A 1950s Italian-made bean-shaped sofa, characterized by the soft, enveloping lines typical of the era's design. The frame has been completely renovated and features spring and foam padding, ensuring comfort and durability. The fabric upholstery has been replaced, lending it a fresh, contemporary look. The legs are made of wood, while the brass feet add a touch of elegance. This piece is ideal for those looking to enrich their space with a vintage design element that embodies history and craftsmanship. Product Condition: Item in very good condition; may show minor signs of wear; may have undergone restoration. We try to present the item's actual condition as accurately as possible with photos. If any details are unclear from the photos, the description will apply.
