

Antique Gilded Bronze Sculpture Depicting Napoleon, 19th Century

450 EUR

Period : 19th century

Condition : Très bon état

Material : Bronze

Description

An antique gilded bronze sculpture depicting Napoleon Bonaparte resting on an antique green marble base. The work is a bust of Napoleon depicted in a highly idealized style that evokes classical Roman imperial iconography. The facial features show the influence of early 19th-century neoclassical models created by the greatest sculptors of the period. The face has a stern and solemn expression, and the eyes are deep-set, gazing firmly forward. Condition: Excellent. Provenance: Italy. Dimensions: 7x7 H25 cm. Documentation: Certificate of Authenticity. Assistance: We are at your disposal for further clarification or additional photos. Shipping: Throughout Italy, Europe, and the rest of the world at very reasonable prices, with maximum security and tracking. Shipping
