

Gold Ring With Pearls And Diamonds

850 EUR

Period : 19th century

Condition : Bon état

Material : Gold

Description

18K (750) rose gold and blackened gold ring from the late 19th century. It is adorned in the center with a row of 5 pearls--likely fine pearls--and on either side and at the ends with rose-cut diamonds. This antique ring, with its original design, has a lot of charm. Weight: 4.78 g Ring size: 53 Good condition.
