Description

This large oil painting on Isorel is the work of Jacques Van Den Bussche, Marseille 1925-2001, signed lower right. It allows us to appreciate the wonderful Côte Bleue, in the Marseille region between Carry-le-Rouet and Sausset-les-Pins. On the right, a path winds through the maritime pines. On the left, one can admire the rocky section of this coastline, and in the foreground, the pleasant little beach. And all of this under a beautiful blue sky! Very carefully framed (100x125)
