

18k Gold Pocket Knife, 19th Century

850 EUR

Period : 19th century

Condition : Bon état

Material : Gold

Description

19th-century 18K yellow gold pocket knife; it features 2 folding steel blades and 1 folding steel file. The two gold plates are beautifully guilloché-engraved. French craftsmanship. Weight: 22.1 g Height: 6.5 cm (7 cm including the hanging ring) Width: 1.4 cm for the gold plates and 2 cm at the widest point. Good condition. A beautiful, rare, and very refined collector's item.
