340 EUR

Period : 20th century

Condition : Très bon état

Material : Crystal

Diameter : 23,5

Description

A pair of clear crystal centerpieces, perfectly identical, featuring a circular plate that is fully faceted along its entire perimeter. The stem, also hand-faceted with a pattern of regular lozenges, attests to the meticulous craftsmanship and technical mastery typical of high-quality European glassware produced between 1900 and 1930. The set reflects the aesthetic of the great French manufacturers, such as Baccarat or Saint-Louis, although the absence of an engraved mark does not allow for a definitive attribution. The condition is excellent: clear crystal, with no chips, cracks, or structural damage.
