Description

Ulpiano Checay Sanz (1860-1916) : "Feeding the Geese," watercolor, 31 × 39 cm, mounted on pH-neutral board under museum-grade glass in a rosewood frame with molding, 44 × 52 cm. The artist, a virtuoso celebrated in Spain, France, and Argentina alike, presents us here with an amusing scene in which a pretty farmwoman carrying a huge basin of food is joined by a flock of geese rushing to claim their meal. See also our watercolor "The Ox Cart." Please feel free to ask us for photos or additional information by email or phone.
