Description

French or German School, circa 1775
Miniature Portrait of a Gentleman
Watercolour in grisaille on paper, oval, 6.2 x 4.9 cm
Set into a brass oval frame with glass covering plate and suspension ring, 7 x 5.8 cm
Provenance: private collection, Germany
*

A high-quality miniature portrait of a bewigged gentleman from the latter part of the 18th century, presumably made either in France or Germany. Unusually the miniature is executed like a drawing, in black ink on paper, like a grisaille. Interesting early inscriptions on the verso.
