850 EUR

Signature : Opaline

Period : 19th century

Condition : Très bon état

Material : Opale

Description

Pair of sky-blue opaline vases - 19th century
An elegant pair of sky-blue opaline vases, baluster-shaped with flared necks. Their understated design is enhanced by delicate gold fillets highlighting the neck and base, emphasizing the purity of the lines and the brilliance of the opaline. These decorative vases, with their harmonious proportions, blend seamlessly into both classic and contemporary interiors. They can be displayed on a mantelpiece, a console table, or a dresser.
Period: 19th century
Material: Sky-blue opaline
Height: 31 cm
Condition: Very good overall condition
A beautiful pair of opaline vases, highly sought after for the quality of their color and their elegant simplicity.
