Description

An elegant centerpiece bowl made of cut blue crystal, resting on a pedestal with a gilded wooden frame. The crystal is enhanced by rich faceted cuts, while the rings and the wooden base with geometric decoration add a touch of refinement. Its wide scalloped rim gives it a majestic and luminous silhouette. With its generous dimensions and deep blue hue, this bowl is a remarkable decorative piece, ideal as a centerpiece, on a console table, or a pedestal table. Period: 20th century Materials: Cut blue crystal and gilded wood Height: 40 cm Diameter: 37 cm Condition: Very good overall condition. A beautiful decorative piece combining the brilliance of cut crystal with the elegance of a gilded bronze frame, perfect for a classic or contemporary interior.
