

Pair Of Pink Opaline Vases - 19th Century

900 EUR

Signature : Opaline

Period : 19th century

Condition : Très bon état

Material : Opale

Height : 38 cm

Description

A charming pair of pink opaline vases with flared necks, resting on an elegant white opaline pedestal. They are richly embellished with gilded floral motifs and medallions adorned with antique-style profiles, highlighting the exquisite craftsmanship. Their slender silhouette and soft hue make them beautiful decorative pieces, ideal for a mantelpiece, console table, or dresser. Period: 19th century Material: Pink and white opaline, decorated with fine gold Height: 38 cm Condition: Very good overall condition, with well-preserved gilding and slight wear consistent with its age. An elegant pair of French opaline vases, combining refinement, delicate decoration, and high-quality craftsmanship--perfect for a collection or a stylish home.
