

Pair Of Crystal Vases With Gilded Bronze Mounts - Louis XVI Style

1 400 EUR

Signature : Cristal

Period : 19th century

Condition : Très bon état

Material : Crystal

Height : 40 cm

Description

An elegant pair of clear crystal vases with faceted sides, adorned with a rich, finely chiseled and gilded bronze mount. The openwork design, featuring garlands, bows, urns, and plant motifs, is inspired by the Louis XVI style and highlights the purity of the crystal. With their slender lines and delicate ornamentation, these vases are remarkable decorative pieces, perfect for a mantelpiece, a console table, or a display case. Style: Louis XVI Period: Late 19th - early 20th century Materials: Cut crystal and gilded bronze Height: 40 cm Condition: Very good overall condition, crystal is clear and the bronze is finely preserved. An elegant pair of vases combining the transparency of crystal with the refinement of gilded bronze, ideal for lovers of French decorative arts.
