Description

Elegant solid walnut coffee table, finely carved and embellished with details in various woods and fruitwoods. The table features a round top and a molded base, which extends to three curved legs adorned with curls. The geometric inlays on the base and legs convey a refined elegance, while the top features alternating geometric motifs, centered on a depiction of a classical vase adorned with floral interweaving. This table exudes great taste and refinement, adding a touch of class and antique appeal to any space. Neapolitan manufacture, mid-19th century.
