Description

Mediterranean Coastal Landscape with Palm Trees and Sailboats, Signed Poirier, circa 1940-1960

Oil on canvas depicting a Mediterranean coastal landscape with palm trees in the foreground and sailboats anchored offshore. The composition is executed with a free, textured brushwork in a post-Impressionist style, emphasizing light and color over precise detail. The bright palette, dominated by blues, ochres and warm orange tones, conveys the atmosphere of a sunlit coastline.

Painted on a coarse jute-type canvas, the work features a richly textured surface that enhances its expressive character. Signed Poirier lower left.

Circa 1940-1960.

Dimensions: 64 × 55 cm.
