Description

Marie-Antoinette-style chandelier, in silver-plated bronze and crystal, late 19th century. A magnificent 8-light chandelier featuring pendants, smooth crystals, and cut pear-shaped crystals of very fine quality. All harmoniously complemented by garlands of cut glass beads and floral motifs, with the garlands connecting the elegant crown via the characteristic band typical of this elegant style. The whole is topped by a finial and the structure is adorned with cut crystal pendants. Electrical wiring refurbished. Structure cleaned and treated. Crystals re-strung in perfect harmony.
