Description

Large Art Deco light sculpture by Raymonde Guerbe(1894-1995), signed on the base and bearing the mark of the "Le Verrier" foundry (Max Le Verrier, 1891-1973). This is a documented model titled "Espana," crafted from artistic metal with an antique bronze-green patina. The work features an evocative Cubist-style composition depicting a young woman--partially nude and wearing a loincloth decorated with hieroglyphic motifs--walking gracefully on a stepped base of Saint Laurent marble; the figure holds a thick, sepia-colored glass fan, engraved with a Cubist motif, which diffuses light through its translucent surface. In good overall condition ; dimensions: 51 cm high x 34 cm long x 11 cm deep. Shipping via UPS, DHL, DPD, or Poste Italiane. Payment by bank transfer or
