Description

Coffee tables from the 1960s with brass legs featuring refined craftsmanship, adding an exotic and sophisticated touch to the decor. The brass frame, in addition to ensuring stability and durability, features a polished finish that enhances the overall design with elegance. Ideal for placing next to a sofa or as decorative elements in a living room, these tables offer versatility and style thanks to their stackability. The perfect choice for those who want to add a vintage design element to their home without sacrificing functionality. Product Condition: This product has been restored by the experts in our restoration laboratory. We strive to present the item's actual condition as accurately as possible with the photos. If any details are unclear from the photos, the description will prevail. Maximum size
