Description

This 20th-century brass vanity mirror features an elegant, understated design typical of Italian craftsmanship. The oval-shaped, tilting mirror allows for easy adjustment of the mirror's angle, providing optimal viewing from multiple angles. The solid brass base ensures stability and durability, while decorative details add a touch of refinement. Perfect for both classic and modern settings, this vanity mirror blends seamlessly into bedrooms and grooming spaces, offering functionality and style in a single piece.

Product Condition: The item is in good condition, with minor signs of wear. We try to present the item's actual condition as accurately as possible with the photos. If any details are unclear from the photos, the description will apply.
