Description

It's always nice to have flowers at home. The choice of colors creates a beautiful harmony. Is the yellow, midnight blue, and sky-blue vase inspired by Murano glass? Its oval shape enhances the harmony of the bouquet. Both dense and generous, the foliage is all the more beautiful for it. The sea-green background fits into a naturalistic setting, and the petals on the ground create this asymmetrical balance. The pictorial quality is undeniable. A pleasure to give--yes, but to whom... Small format, original stretcher and canvas. It has been cleaned and varnished. Delivery available (not included in the price)
