

19th-century Steel Clutch Purse Featuring Various Decorative Techniques, France.

350 EUR

Period : 19th century

Condition : Parfait état

Material : Other

Width : 11 cm

Description

Highly original and quite unusual, here is a clutch bag made entirely of steel and lined with pink silk. Its frame is made of hard steel, and the pouch is then constructed using braided cords and pleated tulle shaped into radiant flowers. The entire piece is made of steel, which plays with the light to create both shiny and matte reflections, and is worn using its chain. Second half of the 19th century. Shipping available in France and internationally; please contact me for details
