Description

Pair of 19th-century gold-colored bronze candlesticks converted into wireless lamps. Circular bases. The wireless bulbs are new; they can be controlled using the included remote controls or directly via the buttons on the bulbs themselves. The magnetic base system allows you to easily remove the bulb from the top of the lampshade to recharge it via a USB-C cable. This system is ideal for using these lamps on tables indoors or outdoors, as well as in areas without electrical outlets. New brass sockets. The pagoda-shaped lampshades were created using a Pierre Frey Toile de Jouy fabric featuring a butterfly medallion adorned with cornucopias and blue floral motifs on a mustard-ochre background. Dimensions: Total height: 35.5 cm / Height of candle holders: 15 cm Bases: 10
