

Antique Sculpture, Naples, 19th Century - Saint Agatha

490 EUR

Period : 19th century

Condition : Très bon état

Material : Terracotta

Description

A terracotta sculpture with a head, feet, and hands, featuring glass eyes and an original gilded wooden base; Southern Italian school, first half of the 19th century- It likely depicts Saint Agatha, as shown in the photo, with an iron axe at her side and what was probably a palm branch--now missing--in her right hand. Carved and gilded wooden base. - Sculpture dimensions: height 44 cm, width and depth 20 cm -
