Description

Incredible! Made by Maison Christofle, circa 1860--this is a numbered set with 6 consecutive numbers.... IThey are, of course, second hand, have been used, and show some wear (a fewspots still need polishing...)But it's a beautiful set of 3 pairs; at least 90% of original silver plating remains on the white metal, with a beautiful antique patina. Perfect for a beautiful table...Diameter: 14 cm x 1 cm; total weight of 6: 1 kg--high quality.Buy Now: payment accepted via credit card or PayPal. -- eclectic -- We're not experts, but we've been in this business for over 50 years.
