Description

Double desk writing set, A highly decorative piece, ideal for adorning a writer's desk or a library. Entirely crafted from solid bronze with a beautiful patinated gilding, it consists of several remarkable elements: The main structure: A central, curved pen holder finely engraved with foliage motifs, acanthus scrolls, and a textured checkered background. The inkwells: Two ink receptacles adorned with removable lids magnificently engraved with rosette-shaped floral motifs. The carved details: The writing desk is flanked by two superb chimera (or stylized dolphins) carved in relief on the sides.
