Material : Linen

Length : les dimensions précises sont indiquées dans la description de l'article

Description

Pair of cushion covers featuring needle-painting on fine raspberry-red silk. Finely executed Asian embroidery. Luminous tones. The silk is sturdy, and the lining shows some slight sheen that does not affect the visible surface (see photos). Note that one of the two pieces shows the initial creases from having been part of a cushion project. The set is of fine quality. Unwashed antique fabric, clean, stored under excellent conditions. ?
