

Oil On Panel, Impressionist Coastal View, Early 20th Century

400 EUR

Period : 20th century

Condition : Très bon état

Material : Oil painting on cardboard

Description

Oil on panel depicting a lively coastal scene in the Impressionist style. The composition features a seascape bathed in soft light, with a beach, a few houses in the foreground, and, on the horizon, a bustling harbor whose silhouettes blend into a misty atmosphere. The free and vibrant brushwork highlights the reflections on the water and the nuances of the sky, lending the entire piece a beautiful poetic quality. The work is presented in an elegant frame made of wood and gilded stucco. Dimensions: panel 24 × 13 cm; frame 38 × 30 cm.
