A mother-of-pearl sewing kit presented in a piano-shaped box. The piano keys are mounted on a removable base. Some of them depress as if they could be played; they were likely designed to activate the music box. Mechanism needs to be checked. Under the other removable panel is the sewing kit, consisting of mother-of-pearl and steel tools: A pair of embroidery scissors with mother-of-pearl handles, in very good condition. A needle case. An embroidery awl shaped like an ancient vase. A mother-of-pearl thimble. A pair of tweezers. A very small pair of steel scissors. A bottle of smelling salts. The entire set is in very good condition.
