Description

A lovely Art Nouveau/Art Deco side table, an Austrian piece from the 1900s attributed to Thonet. With beautiful proportions, two shelves--one at the top and one at the bottom--define the piece's structure, while several round openwork sections lend a modern touch to the curves of the frame. The wood was stained black at a later date. Dimensions: 122 cm high, 34 cm wide, 34 cm deep.
