Description

Murano glass is renowned worldwide for its superior quality and extraordinary artistic value. This sculpture, which showcases an intricate design and expert craftsmanship, not only enriches any glass collection but also stands out for its artistic depth and visual impact. Created using the "sommerso" technique, it features various shades of color that gently transition from green to yellow. Small air bubbles, typical of glassmaking, are visible inside. The Virgin Mary is depicted in a moment of solemn prayer. For collectors and enthusiasts of Murano glass and sacred art, this extraordinary sculpture offers both a visual and an emotional experience. The value of such a work is closely tied to its masterful craftsmanship, the complexity of the glassblowing technique, and its overall aesthetic
