Gilded Bronze Clock With An Oriental Figure - Restoration Period

4 800 EUR

Period : 19th century

Condition : Bon état

Material : Bronze

Width : 39 cm

Height : 52 cm

Description

An elegant gilded bronze clock depicting a seated Oriental figure holding a bird. The enameled dial with Roman numerals blends harmoniously into a richly chiseled composition, resting on a base adorned with foliage motifs. A beautiful decorative piece from the 19th century, illustrating the refinement of French bronze work.
