

A Rare, Large Pair Of Ornamental Fins, Decorative Pieces Made Of Carved And Gilded Wood

350 EUR

Period : 19th century

Condition : Bon état

Material : Gilded wood

Height : 80 cm

Description

A pair of decorative palm fronds with their fruits, carved from wood and gilded. This is a genuine pair, as the palm fronds mirror each other. They display beautifully. You'll admire their movement, supple and graceful as if swaying in the breeze. Ideal for highlighting a work of art when placed on either side of it. 19th-century period. Dimensions: Approximately 80 cm x 30 cm and 5 cm thick each. Beautiful provenance from a château in Provence. Good condition. Beautiful patina of age. Signs of wear mainly on the back and slight chips. Please note that I respond to all inquiries about my items. If you do not receive a response from me, please check your spam or junk mail folder.
